

GEventBase::foreach

GEventBaseWithAutoReconnect
::on_error

GEventBase::on_error

```
graph LR; A[GEventBase::foreach] --> C[GEventBase::on_error]; B[GEventBaseWithAutoReconnect::on_error] --> C;
```

The diagram illustrates a relationship between three components. On the left, there are two boxes: the top one contains 'GEventBase::foreach' and the bottom one contains 'GEventBaseWithAutoReconnect::on_error'. On the right, there is a single box containing 'GEventBase::on_error'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that both 'GEventBase::foreach' and 'GEventBaseWithAutoReconnect::on_error' are associated with or point to 'GEventBase::on_error'.
